Download from Windows Phone Store <https://www.microsoft.com/en-gb/store/apps/campuscare/9nblggzwtmf>

CampusCare® : A robust Solution for education institutions is composed of software, services, customizations and consultancies. Functioning style of every institution are not the same, hence solutions provided to schools need to be unique and should contain the right combination of software, robust database, services, and customizations. In short, the software solutions provided to the institutions has to be tailor made to meet the purposeful specific user needs with in the software. CampusCare® technology serving the education fraternity since 2000 is developed by experienced technical and educational experts and refined over the years. At par with any technical state-of-art system, we too are continuously enriching new features and facilities to our software, based on various inputs received from our customers, our understanding of schools arena, and other technological advancements.

Process of usage
